THE RESOLUTION - OR - *La Fuga*

An Original Canzonet for Two Voices, Composed by MOZART

ANDANTINO

Voi Ze-fi--ret--ti che vo--lar in-tor-no mi-ro al ca-ro ben,
Ye gentle Gales that careleſs blow, regardleſs of a Lover's sighs,
a lei nar-ra-te i far from your banks we
Voi Ruf-cel-let-ti che bagnar so-le--te i fior del suo ter-ren. a lei nar-ra-te i
Ye streams, unheeding as ye flow the wretch who on your margin dies, far from your banks we
miei sos-pir, a lei re-ca-te i miei mar-tir, a lei re-ca-te i miei mar-tir.
fly to prove if absence is a cure for love, if absence is a cure for Love.
miei sos-pir, a lei re-ca-te i miei mar-tir, a lei re-ca-te i miei mar-tir.
fly to prove if absence is a cure for love, if absence is a cure for Love.
Da vostro og-get-to io fug-gi--ro' per-che' co-si vi--ver non so,
Hope not in vain that dis-tant plains, tho' e'er so fair the flowrs they boast,
Del suo fe-
or clearer

Per_che co_si non vuo le amor, che sia de_lu so no

-del se cer_che ra' chi sa se mai ri_tor_ne ra', Per_che co_si non vuo_le amor, che sia de_lu so no

or give thee back thy quiet lost, ah no, & thou a.

stream can soothe thy pains, or give thee back thy qui_et lost, or give thee back thy quiet lost, ah no, & thou a.

fi_do cor. per_che co_si vi_ver non so. si fug_gire, a me con_vien sven_tu_

las must prove, that absence is no cure for love. Hope no more, resolve to fly, hope no

fi_do cor. per_che co_si vi_ver non so. si fug_gire, a me con_vien sven_tu_

las must prove, that absence is no cure for love. Hope no more, resolve to fly, hope no

ra_to por_to in_sen, ah! so_lo il mio do_lor, o_hime fug gi_re a me con_vien a_mor a_

more, resolve to fly from Beauty's tyrant sway, 'tis nobler in the field to die than thus to

ra_to por_to in_sen, ah! so_lo il mio do_lor, o_hime fug gi_re a me con_vien a_mor a_

more, resolve to fly from Beauty's tyrant sway, 'tis nobler in the field to die than thus to

mor ab_bia pie_ta' ab_bia pie_ta' ab_bia pie_ta'.

sigh our youth a_way our youth away our youth a_way.

mor ab_bia pie_ta' ab_bia pie_ta' ab_bia pie_ta'.

sigh our youth a_way, our youth away, our youth a_way.
